Subject: Notice of File Closure and Release of Reclamation Surety, Stone Cover, LLC., Stone Cover Quarry, S/027/0114, Millard County, Utah

Dear Mr. Weston:

The referenced Notice of Intention to Commence Small Mining Operations, located in Millard County, Utah, will now be closed and the files retired.

The Division of Oil, Gas and Mining inspected the site on May 17, 2012, and the BLM inspected it on February 7, 2013. Reclamation has been satisfactorily completed. Minor mining occurred in a very small area of natural talus slope that required no reclamation earthwork, and the talus slope was accessed almost exclusively from a dry streambed with little vegetation. Site conditions on May 17, 2012, were approximately the same as those reported by the BLM following their more recent inspection.

Please find enclosed a check refunding the reclamation surety and interest. The Division is also returning your original reclamation contract for your disposal or records.

You are hereby released by the Division of Oil, Gas and Mining from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice of Intention to the Division and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Peter Brinton at (801) 538-5258. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
